Dear Pastor,

My how quickly the time flies. Here it is summer once again and the schedules are again filling up quickly. I am reminded of II Timothy 4.3 “For the time will come when they will not endure sound doctrine;...” There seems to be an increased attack on Scripture in the past few months especially, with the release of this movie about the Da Vinci Code, the supposed Book of Judas (claiming that Judas was acting under the direct direction of the Savior), and the foolishness of this new theory that Jesus was actually walking on a sheet of ice. Such foolishness!

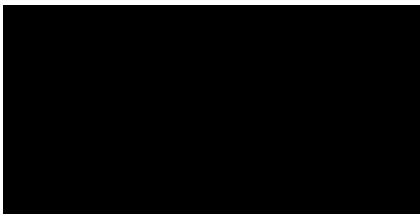

We are so thankful to be able to preach Christ Crucified, Risen and coming again and to meet the need of “Pulpit Supply” in Wisconsin and Northern Illinois.

We were once again able to minister to the folks in Woodruff WI as Pastor Kurt traveled once again for a wedding. We appreciate the opportunities we have had to serve you and provide pulpit supply as needed.

In addition to the pulpit supply ministry, we continue to be busy in our local church, please note the addition of our ministry on the Calvary Baptist Church website, and the additional e-mail address you may use to contact us.

Jim has just finished up a survey of the entire Bible, it was intended to take about a year but ended up at eighteen months. Due, at least in part, to providing pulpit supply and giving up the S.S. hour for visiting missionaries. Barbara has had the privilege to head up the Good News Club ministry in the local school in Sturtevant. Although the group was not overly large there were two young people that came to know Jesus Christ as Savior. We are also teaching the pre-primaries for VBS this year at Calvary Baptist, and Jim continues as Deacon and S.S. teacher.

If we could be of assistance to your ministry as pulpit supply please do not hesitate to call or send us an e-mail and we would be privileged to provide as necessary Sunday School, (Barbara for Junior Church or Sunday School if you wish) and/or any services you might need:
